Secretary report: Kat read the minutes, motion to approve, passes.

GSR: Not present, no report.

Treasurer Report: Mikey shared Treasurer Report, available funds \$1822.87, not including prudent reserve. We donated to \$500 New York Intergroup, and \$500 to local Intergroup last month.

Intergroup: Not present, no report.

Website: Max has not made any modifications to the website, Mikey made some updates to the launchpad and made things more organized.

Church Liaison report: Kat expressed that church is open to us coming back with some restrictions. Discussed more in old business.

Old Business

We discussed the church and returning to in person very briefly, but we all agreed that with the rising cases and the absence of confidence in case reporting, it would be best to table this until next month. Again.

Speaker for next month – Max will look into this for us as he is our speaker seeker.

We discussed coffee talk again, talked about how sometimes it's productive, but sometimes it isn't. Mikey made a motion that Nathan and Max get together and write some format for that to improve it. Motion to accept, passes.

We talked about the chip set up, the whole "keep your finger on the trigger" seems to work best.

Tony volunteered to touch base with new folks for us but needs access to those names. Mikey will help him with this.

Mikey would like to donate \$314 to New York Intergroup, world services, and local Intergroup.

Motion to adjourn, seconded. Closed the meeting at 9:28 pm.
